# COMPERS APPEALS TO LABORERS TO SUPPORT DEMOCRATIC TICKET

Washington, Oct. 21.—By an all most unanimous vote the Central More unanimous vote the Central More was a letter bearing the signature of Samuel Gompers, explanatory of the position taken by labor in the present campaign. The president of the American Pederation of Labor declares at length in the document 'Unat labor, in performing a solemn duty in support of a political party, does not become a political party, but a partiana to a principle."

Hardly before the secretary had dime to finish reading the letter, many of the delegates were on their feet, asking that the union go on record as favoring Gompers' attitude. If there were any who held an opposite view they were silent, and the majority of the delegates rose and shouted "Aye" when the question was put to a voice.

his opinion that the acts of '93, wherein the Governor is made Commanderin the Governor is made Commanderin-Chief of the army of Tennessee,

Infantlle eezema, which has baffled the skill of the best physicians for so many years, at last seems to be curable with great ease.

Results of the last two years indicate conclusively that baby's itch, infantlle eezema and other skin diseases of children can be very simply cured by the application of a compound composed of oil of wintergreen, thymol and glycerine, as in B. B. B. Perscription.

The Rev. Lewis Steeley, of Weatherly, Pa., writes:

"Our baby boy's little face was so dreadfully covered with eezema that lood and water ran from the sores nearly all the time. After using 39 bottles of D. D. Mak authorized a statement Saturday in which he claimed the election of Mr. Bryan by a landslide. Mr. Mack announced that his reports showed that Mr. Bryan would receive at least 301 electoral votes, of fifty-nine more than is necessary for a choice. Mr. Mack's forecast of the election follows:

"The rumblings and thunder of the Bryan landslide in the West are laready heard in the Eastern States, and today I can confidently predict the election of Mr. Bryan.
